Dear Columbian,

We are delighted to invite you to join Columbia Professor Mark von Hagen to experience the magnificent beauty of Norway's Fjords, and the cultural rebirth of the Baltic states. We are particularly proud to announce that this program offers a rare opportunity to meet with Lech Walesa, winner of the Nobel Peace Prize and leader of the Solidarity movement's struggle against Communist rule, which eventually toppled Soviet domination in all of the Baltic states and Eastern Europe.

This exclusive itinerary features accommodations aboard the deluxe M.S. LE DIAMANT, a magnificent vessel formerly known as the M.S SONG OF FLOWER, one of the world’s most celebrated small cruise ships. Refurbished in 2004, it offers a luxurious sanctuary with only 113 outside cabins, personalized service, fine cuisine and elegant amenities.

Embark in the historic port of Bergen, Norway, and cruise along the Norwegian coast to explore the stunning beauty of the Fjords and the picturesque town of Flåm. Call on Copenhagen, the regal capital of Denmark, before visiting the recently reborn Baltic states as they embark on their post-Soviet renaissance. From the medieval lanes of Riga, Latvia, and Tallinn, Estonia, to the legacy of the “Solidarity” movement in Gda´nsk, Poland, and a free and vibrant St. Petersburg, Russia, experience their rich traditions and new-found cultural vitality.

Throughout the journey, your understanding of this rapidly changing region will be enhanced by a series of included and optional excursions led by expert guides. We invite you to join a special optional overnight excursion to Vilnius, Lithuania, an optional two-night prelude in Bergen, Norway, and an optional two-night post-tour extension in Stockholm, Sweden, one of the most majestic and beautiful cities in Europe.

The romantic White Nights of Summer, the deluxe M.S. LE DIAMANT, and an exclusive itinerary that includes a private meeting with Polish hero Lech Walesa make this an ideal opportunity to experience one of the most important historical epochs of our time and the Baltic region’s rich cultural heritage. We are privileged to be joined by alumni from Brown University and Northwestern University among other leading institutions. This exclusive Baltic program has sold out quickly in recent years, so we urge you to make your reservation now.

With best wishes from Morningside Heights,

Eric J. Furda
Vice President for Alumni Relations

We are honored to announce that by exclusive arrangement while in Gdańsk, our group will have a private meeting with Lech Walesa, winner of the Nobel Peace Prize, and leader of the Solidarity movement in its fight against Communism.

A worker in Gdańsk’s Lenin Shipyard, Walesa emerged as a worldwide symbol of the resistance against Communism during the shipyard workers’ strike of 1980 and the establishment of the Solidarity labor movement. Despite winning the right to form an independent union, Walesa and Solidarity were forced to continue their struggle against the Soviet-backed regime of General Jaruzelski, which jailed Walesa and imposed martial law in Poland in December, 1981.

In 1983, Walesa received the Nobel Peace Prize, a watershed moment widely considered to have been the first crack in the Iron Curtain of Soviet Communism that crumbled with the Berlin Wall in 1989. Only the third foreign dignitary, after the Marquis de Lafayette and Winston Churchill, to address a joint session of the U.S. Congress in 1989, Walesa served as President of Poland from 1990 to 1995.

We are indeed proud that this Polish hero and international symbol of the pursuit of freedom and democracy has agreed to meet with our group.
