PARTICIPATE IN A STUDY OF LEARNING AND MEMORY!

The Learning Laboratory is looking for subjects between 50- and 85-years-old interested in participating in studies of learning, memory and decision-making.

Experiments will last between 30-120 minutes, and participants will be compensated at a rate of $12/hr. Some studies may involve chances to earn additional money!

Interested? Contact Kendall Braun at CULearningLab@gmail.com or call (212) 851-2795.

Participants must be between 50- and 85-years-old. Please contact the lab for further eligibility requirements,

These studies are performed under the supervision of Dr. Daphna Shohamy, who can be reached at (212) 854-7560.
